

CEMENT DESIGN

presenta:

MDW2018

Fuorisalone 2018_ 17-22 Aprile_ Brera Design District

Showroom Cement Design_ Via Solferino 42

CEMENT HOME

Il cemento come esperienza sensoriale.

Una MDW2018 rivestita da *superfici continue emozionali* : la "CEMENT HOME" .

Ci si ritrova immersi in spazi, luci, colori, textures e decori nello Showroom Cement Design, dove scoprirete materia e poesia, arte ed innovazione.

La versatilità dell'Eco-cemento Cement Design si mostra in tutte le sue infinite possibilità: avvolge la luce di LUMINIA, si personalizza con TIDEO, si fa struttura per gli artisti FELIPAO, MICHELLE URTECHO, SANDRA FAGGIANO. Dando vita ad una HOME contemporanea, colorata e soprattutto *unica*.

"Mostra permanente di pezzi di design di cemento interpretati da aziende e artisti del design: Tideo, Michelle Urtecho, Sandra Faggiano, Felipao, Luminia e studenti IED. Ogni giorno, una serata rilassante di arte e musica del DJ"

CEMENT HOME

Cement as a sensory experience.

An MDW2018 covered with continuous emotional surfaces: the "CEMENT HOME".

We find ourselves immersed in spaces, lights, colors, textures and decorations in the Cement Design Showroom, where you will discover material and poetry, art and innovation.

Permanent exhibition of Cement Design pieces interpreted by design companies and artists: Tideo, Michelle Urtecho, Sandra Faggiano, Felipao, Luminia and IED students. Every day, a relaxed evening of art and music with DJ

The versatility of the Cement Design Eco-cement is shown in all its infinite possibilities: it wraps the light of LUMINIA, it is personalized with TIDEO, it becomes a structure for the artists FELIPAO, MICHELLE URTECHO, SANDRA FAGGIANO. Giving life to a contemporary HOME, colorful and above all unique.
